## What is a sexual dream symbolic of?

According to Freud the following items, which occur in dreams, are interpreted as sexual symbols...

WIT, KNIFE, UMBRELLA, PEACE...

SYMBOLS FOR PENIS

ROOM, SHIP, CLOSET, CONTAINER...

SYMBOLS FOR VAGINA

GOING UPSTAIRS, LADDER...

SYMBOLS FOR COITUS

...this interpretation isn't always correct. In comparison to the current state of research, Freud overestimated the meaning of sexuality.

## What are some dreams that indicate sexual frustration?

### BEING MAILED IN PUBLIC

Sense of shame and feelings of powerlessness. The unabashed appearance of the other sex is a sign for hormonal libido.

### FLYING

Frustrated rejection dreams of flying as an expression of sexual arousal. There is a connection between an erection and dreaming of flying, but they could also be an indication for a need of freedom or independence.

### LOSING YOUR WALLET

Fear of deflowering. However, the old values like chastity and virginity are of minor meaning in today's society. Such dreams are rather an expression for fear of losing reputation or social position.

### LOSING TEETH

Decrease of potency or unfulfilled wishes. As a sign of inner growth, they can be interpreted positively.

Of course, there are times when one had erotic dreams for the sake of wanting sex. Also, having incestuous dreams during puberty is simply an expression of family bias and is by no means immoral.

Young men and women have a 15-17% frequency of having intimate encounters (excluding sex) with a partner of the opposite sex (lovers?). Do you have them often?

PR: I don't know about you, but I dreamed about a cheerleader...

PL: Ha, I don't have those dreams, but I often dream of losing teeth. Let's interpret it as inner growth :P

that?

ORIGINAL  
BACHO  
LOVE!!

You could  
have just  
worn a

☆  
In the course of evolution men developed a liking for small waists, because in aspects of reproduction it's not worthwhile to mate with women with a broad waist, as it's indicating a possible pregnancy.

WHY DO MEN LIKE ABOUT SEXY WOMEN?

WHAT WOULD YOU THINK OF US STARTING HERE, OVERSIGHT?

100

THE WAY YOU  
ARE NOW, I  
THINK YOU'RE  
DELICIOUS!

DO YOU

TURN-KEY...  
YOU DON'T  
HAVE TO TRY  
TO SELL TO  
BECOME  
SOLD-OUT...

Men have a weakness for women, who fulfill these criteria.

### SEX APPEAL ③

♡ Besides the appearance, behavior also plays a major role.

### CHARM ②

♡ Is not relevant to the appearance, but the character.

### BEAUTY ①

♡ Physical attributes: face and foremost outer beauty of the shape the face also.

WHY ARE WOMEN ATTRACTIVE FOR MEN...

**MOUNTAIN

In this position it is also possible to vary the angle.

**FOR-

A deep penetration is possible, when the man holds on to the buttocks of the woman.

**LOTUS  
BLOSSOM**

A backwents sitting position in which the woman wraps her legs around the man.

### Different mons pubis

Under the same word *slam*, it refers to the fall-like situation along the public area.

The vaginal introitus often lies further down, the labia majora are well shaped. The vaginal introitus can be opened widely to allow a deep penetration. Positions like the sitting position forwards, the venus trap or the missionary position with lifted legs (put a pillow under the legs) are best tested.

Asian women often have mid-sized mongrels. Very elastic, but not like a leg mongrel. The mongrel is a pillow out of subcutaneous fat tissue, which covers the paws here.

The clift is well visible. The vaginal introitus often lies further up. Suitable positions are a-bargo with open legs or cowgirl position forwards. Sex with closed legs, when the clt is strongly stimulated, is well suited for women, whose vaginal introitus lies further up.

if they desire so. ☺

PART.168

*The Exciting Birth of Pups*

**Hey!!**

SAY...

SO YOUNG...

I WAS 20  
AT THAT  
TIME.

...HOW DID  
YOU FEEL, THE  
DAY YOU GAVE  
BIRTH TO ARRY?

...THEN  
I HEARD  
YOU CRY.

AS SOON  
AS YOU  
WERE BORN,  
I REALIZED HOW  
THE PAIN WAS  
SUDDENLY  
FADING...

DAD SEEMED  
MUCH MORE  
NERVIOUS  
THAN ME.

OF  
COURSE!

WERE YOU  
HONEST?

Thank you for  
seeing into  
this world!

WHEN I SAW  
YOUR FACE, THE  
FIRST THING I  
SAID WAS...

I'LL LET  
YOU KNOW  
WHEN IT'S  
TIME.

OHAY

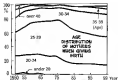

IT'S ALREADY  
VERY LATE.  
DON'T YOU  
WANT TO  
SLEEP A BIT?

And...

THEN  
WE'LL WATCH  
OVER HIM IN  
SHIFTS.

NO, NOT  
NECESSARY.

44% of women, who gave birth to a child in Japan in 1990, were above 30. In the past, giving birth over 30 was considered a "late birth". Today it's with an age over 35.

# CONSULTATION HOUR

WITH DR. KYOKO

"WHAT IS VAGINISM?"

PART 1

THE VAGINA IS HELD TOGETHER BY DIFFERENT MUSCLES...

THE VAGINISM OR VAGINAL CRAMP IS A GLUTEN HARDENING OF THE PELVIC FLOOR MUSCLES

Vaginism occurs in different degrees of severity. In light cases, the intercourse is painful but still possible, in severe cases penetration is impossible

THIS IS CALLED A  
PENIS - MEANS A  
PENIS WHICH IS ALWAYS  
ERECT. IN THIS CASE,  
YOU SHOULD CONSULT  
A DOCTOR, BECAUSE  
THIS SYMPTOM CAN BE  
BASED ON A MULTITUDE  
OF DISEASES

IT IS POSSIBLE  
THAT THE PENIS  
DOESN'T SLACK  
AND INSTEAD  
STAYS ERECT  
FOR HOURS

YOU DON'T  
NEED TO  
CALL AN  
AMBULANCE!

☆

FOR A HEALTHY  
SEX LIFE THE  
COOPERATION  
OF BOTH  
LOVERS IS  
INDISPENSIBLE!

☆  
CONCLUSION  
THE MAN  
WOULD HELP  
HIS PARTNER  
LOSE HER  
FEAR OF  
INTERCOURSE

I CAN'T  
RELIVE IT...

WHY?

I'M  
RELIEVED!

BUT I  
DON'T NEED  
TO WORRY  
NOW...

I FEARED THAT  
I COULD GET A  
VIRGAL CRAMP  
BECAUSE OF TOO  
MUCH SEX!

GA-  
CHANN!

GACH!
